Retreat Leader Mary Dwyer

Mary Dwyer is a long-time student of Fr. Thomas Keating and has been practicing Centering Prayer for over twenty years. In the early 1990's, she lived at Chrysalis House, a contemplative live-in community experiment blessed by Fr. Thomas. Her housemates included Mary Mrozowski, David Frenette and Cathy McCarthy. The community lived according to a rule of life and became an incubator of practice and programs in the early years of Contemplative Outreach's growth.

It was her experience at Chrysalis House – what she refers to as her “inpatient” or “residential treatment time” – that proved to her that a life of prayer, consent and practice is real, stable and deeply rewarding. Mary Mrozowski taught her that a devoted life of prayer was the real work of life; what we did the rest of the time was just how we made a living.

Mary received her undergraduate degree from Georgetown University in economics and spent some time as a banker and college administrator. After a few years at Chrysalis House, she went back to school and became a licensed clinical social worker and practiced this vocation for the next 15 years, all while maintaining her commitment to the contemplative life and to the mission of Contemplative Outreach. In 2008 she met her beloved Juan through the Living Flame program. She moved to Miami, FL in 2009 and they married.

Mary is a former Chairperson of the Contemplative Outreach Faculty. She currently is coordinator for the Living Flame program and a member of the Welcoming Prayer Service Team. Mary now devotes her time to giving retreats and workshops on behalf of Contemplative Outreach throughout the US and internationally.

Mary is passionate about nature, animals, children, honesty, recovery, and present-moment awareness. She is devoted to her beloved Juancito, family & friends, Contemplative Outreach and sharing the good news and incredible teachings she has been given.
